

## Material

These Wheels Of Life of natural wool felt and cotton are handmade, making each Wheel unique.

Because wool is naturally dirt-repellent, washing is not necessary. Use a dry washcloth or vacuum cleaner to remove any lint, etc.

If you do want to wash them, use a wool wash cycle or wash them by hand in lukewarm to cold water with a wool detergent. Lay flat to dry.

## Embroidery patterns

See photos for the various embroidery patterns.
